PRESENTATION OF THE ALLIANCE OF MINISTERS AND LEADERS OF BELIZE (BelizeCan) – to the Honorable Committee – concerning the CRIMINAL CODE (AMENDMENT) (No.2) Bill, 2013

• If God is Supreme in Belize - and Constitutionally He is - then who can be more Supreme than He, or which law can be more Supreme than the Supreme Law of the Land (the Constitution) which states that: "This Constitution is the supreme law of Belize and if any other law is inconsistent with this Constitution that other law shall, to the extent of the inconsistency, be void;" as Belizeans we must categorically reject any other Being's VALUES, other than that of our God, upon whose principles our nation was founded; and any other Supreme Law than the Constitution of Belize.

• God's principles rejects "homosexuality" IN ALL OF ITS FORMS and orders very stiff penalties for those that practice it - we therefore have no other option but to reject it as well, and keep Section 53 of the Penal Code, as is!

• "53. Every person who has carnal intercourse against the order of nature with any person or animal shall be liable to imprisonment for ten years."

• This law is BASED UPON THE PRINCIPLES OF GOD -WHICH STATES: "Thou shalt not lie with mankind, as with womankind:it is abomination. Neither shalt thou lie with any beast to defile thyself therewith:neither shall any woman stand before a beast to lie down thereto:it is confusion."(Lev 18:22-23 KJV)

• You cannot confuse paragraph "A"; or our constitution, with protecting the rights of those with a Homosexual Agenda! Our constitution protects all human beings, male or female, but it doesn't protect Aliens! The "homosexual culture" while it may be "Accepted Culture" main stream in Europe and other lands; it is as Alien to Belize and the Principles which Acknowledge God's Supremacy; so I PUT IT TO YOU Honorable MINISTERS - we must KEEP IT THAT WAY.

*“Speak for those who cannot speak for themselves; ensure justice for those being crushed.
Yes, speak up for the poor and helpless, and see that they get Justice” – Prov. 31:8-9*

- Paragraph “e” of the Preamble of Our Constitution Obligates YOU to protect our culture. The Constitution states that "***Whereas the people of Belize require policies of state...which protect the identity, dignity and social and cultural values of Belizeans, including Belize’s indigenous peoples...***" This is not talking about a LIFESTYLE DUE TO ONE'S SEXUAL DESIRES, but to an actual CULTURE! We cannot accept the SPIN on words by any POLITITIAN, to give UNAUTHORIZED RIGHTS to “PRACTICES” which have none!
- As a HUMAN BEING, a "member of the human family" (para. "A" of the Preamble of the Constitution), everyone has the same basic rights, whether that person be an Atheist or Christian; whether they be of the same or a different culture than mine; but NO WHERE in the CONSTITUTION OF BELIZE, is a person’s sexual desires protected.

The question for you Minsters, to ponder from this day forth is not based on your party allegiance, your family wealth, nor your socio-economic status. The question is this: “What effect would you leave on the Belizean society and the world for that matter, once you are gone?”

Ministers, Will the change of this law make a positive difference on our society and culture from this day forth or will you go down in history as a minister who shirked his duties to protect the Belizean culture as per paragraph E of the Preamble of the Constitution.

RECCOMENDATIONS

Remove ANAL SEX FROM A NATURAL ACT TO AN UNNATURAL CRIME AS CITED IN OUR CURENT PENAL CODE – SECTION 53.

An example of the changes TO BE APPLIED throughout the Document SHOULD BE:

46. – (1) Every person who penetrates another person’s mouth, anus or vagina with his penis, without that person’s consent or a reasonable belief that the other person consents, commits the offence of rape and is liable on conviction on indictment to imprisonment for a term that is not less than eight years but may extend to imprisonment for life.

46. – (1)A Every person who penetrates another person’s mouth, or vagina of the same or opposite sex, with his penis, without that person’s consent or a reasonable belief that the other person consents, commits the offence of rape and is liable on conviction on indictment to imprisonment for a term that is not less than eight years but may extend to imprisonment for life.

46. – (1)B Every person who penetrates another person of the same sex’s anus with his penis or any other object, commits the offence of AN ANNATURAL CRIME, and is liable on conviction on indictment to imprisonment for a term that is not less than TEN years but may extend to imprisonment for life.

Throughout this document – all mention of THE PENETRATION OF THE ANUS WITH ANY OBJECT – TO INCLUDE BUT NOT LIMITED TO THE PENIS (ANAL SEX) should be given its own paragraph and listed as an UNNATURAL CRIME – AND GIVEN ITS PENALTIES – AS PER OUR CURRENT PENAL CODE – REGARDLESS OF THE AGE OF THE INDIVIDUALS INVOLVED – OR THE SEX OF THE PARTICIPANTS.

SECTION 47G (3) – MUST BE COMPLETELY STRUCK OUT OF THIS DOCUMENT AS IT VIOLATES THE LEGAL, RELIGIOUS, CULTURAL AND MORAL RIGHTS AND AUTHORITY OF OUR NATION’S PARENTS:

- (3) For the purposes of subsection (2), a person acts for the protection of a person under sixteen if he acts for the purpose of –
- (a) protecting the person under sixteen from a sexual transmitted infection;
 - (b) protecting the physical safety of the person under sixteen;
 - (c) preventing the person under sixteen from becoming pregnant; or
 - (c) promoting the person under sixteen emotional well-being by the giving of advice,

Ministers, I would like to bring your attention to the Principles of God, upon which this Nation was founded in relation to sodomy (men who have sex with men and women who leave the natural use of the man and burn for another woman).

Lev 18:22-30

22 You shall not lie with a male as with a woman; it is an abomination. 23 And you shall not lie with any animal and so make yourself unclean with it, neither shall any woman give herself to an animal to lie with it: it is perversion.

24 “Do not make yourselves unclean by any of these things, for by all these the nations I am driving out before you have become unclean, 25 and the land became unclean, so that I punished its iniquity, and the land vomited out its inhabitants. 26 But you shall keep my statutes and my rules and do none of these abominations, either the native or the stranger who sojourns among you 27 (for the people of the land, who were before you, did all of these abominations, so that the land became unclean), 28 lest the land vomit you out when you make it unclean, as it vomited out the nation that was before you. 29 For everyone who does any of these abominations, the persons who do them shall be cut off from among their people. 30 So keep my charge never to practice any of these abominable customs that were practiced before you, and never to make yourselves unclean by them: I am the Lord your God.” (ESV)

• **1 Corinthians 6:26 For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature.**

• **27 Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is**

shameful, and receiving in themselves the penalty of their error which was due.

- 28 And even as they did not like to retain God in [their] knowledge, God gave them over to a debased mind, to do those things which are not fitting;

Ministers, by approving these laws, not only do you bring condemnation upon our people, but you also bring it upon our land,

which according to the Supreme God, cited in our constitution whose principles, you will continue to violate, the land will spew us out or God will destroy us. The Supreme God will punish our iniquity and the land will vomit us out.

Ministers, I warn you this day **that the curse attributed to these immoral sexual practices** which this amendment to our Penal Code seeks to legalize in our Nation: as it equates the anus to the sexual organ of the vagina, hence dismissing the abominable act of sodomy; will also be attributed to you, since the Bible says that not only them that do these things, but also, he that rejoice in them that does them - is as guilty.

Just as this Penal Code calls for strict punishments on those that are accomplice to the crimes mentioned therein, so WILL God hold YOU guilty and therefore ACCOUNTABLE for FACILITATING the LEGALIZATION of these ABOMINABLE ACTS in Belize!

Let me also warn you that ***curses are passed on to the third and fourth generations***, hence, your vote in favor of the repeal of sodomy and the legalization of homosexuality in our land would consequentially curse not only yourselves but your future generations.

In Section 47G - Arranging or facilitating the commission of a sexual offence involving a child - The “amended” Penal Code REMOVES the LEGAL and MORAL AUTHORITY of our Nation’s Parents over the sexual lives of their children; legally authorizing other persons (OTHERWISE) without legal or moral control over these kids, to provide them with contraceptives, abortion, condoms and/or counsel. We therefore Put It To You All – Honorable Ministers, that this WILL WITHOUT DOUBT, NOT ONLY VIOLATE, but clearly IGNORE the cultural, customary and/or religious beliefs and values of our Nation’s Parents.

This Our Honorable Ministers will not, and cannot be allowed to become LAW in our Nation Belize.

WE THANK YOU FOR YOUR TIME AND TRUST THAT YOU WILL DO THE RIGHT THING!
